

FIT PLUS MONITOR ARM

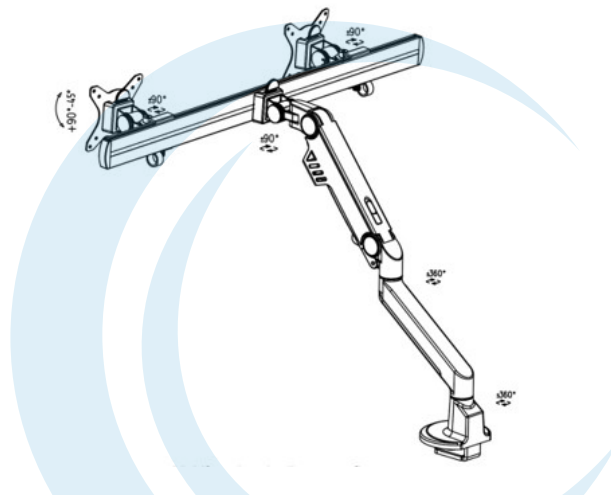

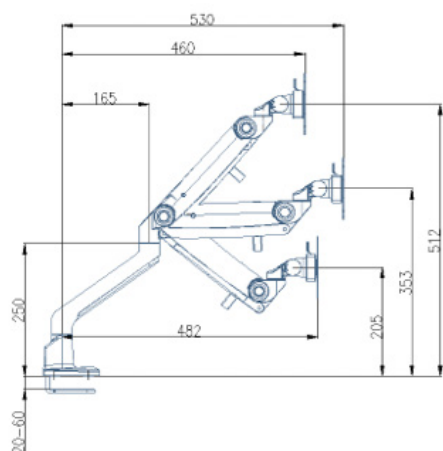

DYNAMIC HEAVY WEIGHT SOLUTION

Space saving dynamic and durable

With the FIT PLUS Monitor Arm, enjoy a dual monitor set-up with effortless flexibility. An incredibly functional desk top solution, it features an impressive weight capacity; able to comfortably hold two 24-inch monitors.

To ensure you are working in the correct ergonomic position, you can easily rotate, swivel or tilt each screen to the desired angle or height and go from focused individual work to collaboration by sharing your screen in an instant.
