

## FIT FOR PURPOSE MONITOR ARM

DYNAMIC SOLUTION FOR EVERYONE

**The FIT Monitor Arm is a smart dynamic solution, designed to move with you. Increase productivity and decrease workplace fatigue.**

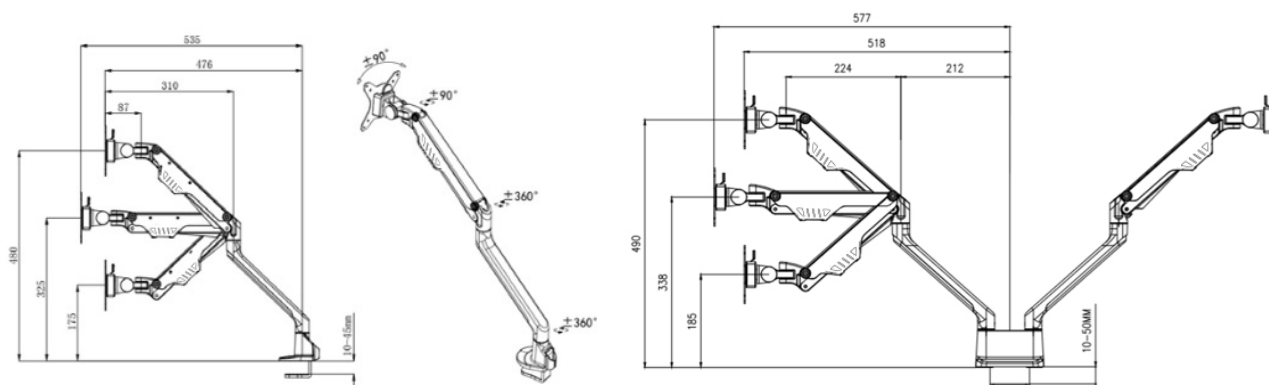

FIT allows you to effortlessly adjust a monitor, laptop or tablet to the correct ergonomic position, minimising eye and posture strain. This VESA-compliant monitor solution can accommodate most LCD screens, even those up to eight (8) kilograms. The top-mounting desk clamp has been designed to ensure quick and easy installation in any workplace environment.

Available in black, white or a silver finish, the FIT Monitor Arm is a sleek and versatile design making it the perfect space-saving solution for any desk.

### MOUNTING OPTIONS

- Laptop tray
- Dual screen
- Twin USB 3.0 top mount clamp
- Custom tablet and docking stations (on request)
